

# Exposit

## Design

Frank Person | Jan Hansen

## Exposit

Seat and backrest of robotically-welded ergonomically curved wire mesh, with laser-cut steel support frame. Square tube steel support structure.

## Special features

Exposit is also available without a backrest, to be used as a side table. Optional armrests are available on either one or both sides. Exposit received the International Design Award for the State of Baden-Württemberg, and was the Design Award Winner at the Industrial Forum Design Hanover.

## Exposit Wire

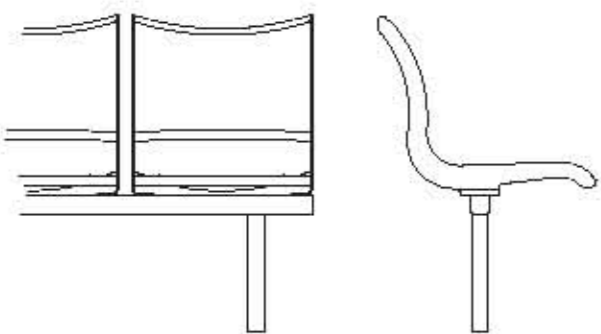

Identical to Exposit, except with a flexible stainless steel wire net backrest for enhanced comfort.

## Fixing options

1. Stationary: with extended support legs for embedding in concrete.
2. Stationary: with baseplates.
3. Movable.

## Dimensions (mm)

W	variable	2, 3, 4 and 5-seater
D	610
