

Olympia Nova

Design

Ecke:Design, Berlin

Olympia Nova

Variants without backrests. Can be combined with all other Olympia Nova elements. Seats of wire mesh in tubular frame, laser-cut steel end-plates.

Special features

Olympia Nova is extremely adaptable. The diversity of the available seating elements makes it possible to configure the system in a wide variety of shapes and layouts. Details can be found on our enclosed CD-ROM, or on our web site at www.erlau.com.

Fixing options

1. Stationary: with extended support legs for embedding in concrete.
2. Stationary: with baseplates.
3. Movable.
