Salto

Seat and backrest of wire mesh, with laser-cut steel support frame. Legs and armrests of laser-cut steel.

Special features

Both Salto variations are available with or without backrests. Details of the leg elements and the armrests are made possible by means of laser technology and material-sensitive bending technology.

Fixing options

1. Stationary: secured by means of fixing plates at support leg bases.
2. Movable.

Dimensions (mm)

	with backrest	without backrest
